APPALOOSA BROADCASTING AND AIM FOUNDATION PRESENT CADIE Calhoun & FEED THE TROOPS 2022
12th Annual Cheyenne Community AIM (Appreciates Its Military) Food Drive & Fundraiser

CHEYENNE, WYOMING: Feed the Troops is a Cheyenne Community AIM Foundation event going 12 years strong. AIM and Appaloosa Broadcasting need helping hands to support the United States Armed Forces in the greater Cheyenne area and bring much-needed cheer to Cheyenne's dedicated active military and service members, near and far.

Community Support for FEED THE TROOPS

Jay O'Rourke, KAZY On-Air Personality, Appaloosa Broadcasting

"This is my 5th year working with the Cheyenne Community Aim Foundation's Feed the Troops. I'm beyond proud of this organization and all that we accomplish every year. It's important to me to give back to the men and women who keep my family safe every day. I'm so thankful to be part of Feed the Troops and excited for everything we are doing for our active military members in our community"

Glen Chavez, Founder, AIM Foundation

"This is personal to me because I have seen it first hand, the loneliness that sets in with our service members. For the past 12 years they have shared the heartache they go through during the holidays. This is just my way of saying thank for your commitment to our country and our community. Let's them know we care even though they think they are alone. We are in this together to take care of each other mentally and physically!"

Tim Bradshaw, Aviation Director, Cheyenne Regional Airport

"The Cheyenne Regional Airport Board and staff are proud to partner with (AIM) Appreciates Its Military and Appaloosa Broadcasting in supporting the annual "Feed the Troops" initiative. This is our first year participating in this event and hope that this will become a signature occasion for us to recognize the immense sacrifice that our men and women in uniform make for our great country. Our goal is to recognize the dedication and devotion of their families in

supporting them in their call to duty. We appreciate each and every one of them and pray for their well-being and safety.”
